

SEWN TURNED EDGE PORTFOLIO

Enhance the look of the portfolio while keeping the functionality. This portfolio is sewn along the outside edges with durable nylon threads. The wire bound book can be customized and is inserted into a turned pocket on the back cover. Constructed with 100# gloss text that has been laminated and then turned over chipboard. The liner is constructed with laminated 100# gloss text. The wire bound book includes 50 sheets of 20# bond with lined sheets.

SEWN TURNED EDGE PORTFOLIO

TURNED EDGE NOTEPAD

Just a fancy version of an old classic! Our Turned Edge Notepad Holders are printed on 100# bright white text, gloss laminated and turned over solid chipboard. This offers the quality and durability of our vinyl notepad holders, but with a little more versatility when it comes to decoration. Offset print, foil stamp or deboss, whatever your decoration needs, we can accommodate!
